Comfort features you can take to the bank.

- **Interactive touchscreen (800 family)**
A responsive touchscreen that is easy to read and easy to use.
- **Programmable fan (800 family)**
Increases air circulation and provides better air filtration when combined with an American Standard AccuClean™ air filtration system. This feature improves comfort and indoor air quality.
- **Multiple fan settings (800 family)**
Ability to program wake, leave, return, and sleep, heat and cool settings for 7 different days.
- **Large, backlit display (800 family)**
This sizeable display makes reading the temperature and time easier, even in low lighting.
- **Armchair programming (800 family)**
The control can be removed from the wall so programming can be set from the comfort of a living room chair.
- **Real-time clock (800 family)**
Correct time is maintained, even when the power fails, thanks to a 10-year lithium battery. And the clock automatically adjusts itself to daylight savings time.
- **Indoor Air Quality reminders (800, 400 & 200 families)**
Let customers know when it's time to replace air filters or humidifier pads.
- **Outdoor temperature sensor (800 & 400 families)**
Customers can see what it's like outside without even leaving the house.
- **Backlit display and keys (600, 400 & 200 families)**
Illuminate when keypad button is pressed.
- **Energy savings mode (400 & 200 families)**
When the \$ key is pressed, the thermostat will automatically be set to a temperature that will save money.
- **Auto changeover**
When set to auto, the thermostat automatically switches between heating and cooling to maintain maximum home comfort year round.
- **Effortless programming**
A clear, menu-driven setup makes programming quick and easy.
- **Streamlined design**
Its attractive and sleek look fits discreetly into any home decor.
- **Business card drawer (400 & 200 families)**
Holds a business card for service calls and easy referrals.

A warranty for you and your customers.

Not only does an American Standard warranty protect your customers, it allows you to maintain a relationship with them and generate future business. Warranties are also a great way to promote your reputation in the community and collect referrals, while ensuring customer satisfaction.

American Standard benefits for your customers

Reliable performance

Our name goes on only the most reliable and innovative products.

Durable construction

Materials and computer technology are tested for consistent, reliable, long-lasting performance and durability.

Enhanced comfort

American Standard accessories such as Comfort Controls and Humidifiers enhance overall performance and maximize comfort.

Cleaner air

Add an AccuClean™ air cleaner to remove up to 99.98% of airborne allergens from filtered air for a cleaner, more comfortable home.

Efficient operation

Digital programming and energy savings mode may substantially lower customers' home heating and cooling costs.

A reputation built on reliability and durability.

American Standard salutes all the dealers who work to improve the lives of families. It's our promise to you that we will continue to dedicate ourselves to creating and manufacturing new and innovative products. Products that will also make you and your customers a lot more comfortable.
